- All bids must be submitted in a sealed and stamped envelope, with the name of the bidder and the identification of the tender.
- The bidder should clearly indicate the bid number on the envelope
- Each bid to be submitted separately
- The Tender Application form should be duly filled and enclosed in the envelope

3. The technical offer

In order to prepare the technical offer, the bidders should consider carefully the Technical Specifications (annexed) which establish which goods ICPALD is requesting. The offer must stick to the technical specifications.

- The Technical Specifications and Technical Offer document filled up by the bidders, will become an annex to the LPO and describes the goods

4. Financial Offer

- The financial offer should include the taxes if any and or other charges

5. Period of Validity of the Offer

- The offer must indicate the binding period after the deadline for submission of offers

6. Cancellation of the Tender

ICPALD can cancel the tender due to the following circumstances:

- There are no bidders or the bids presented are either not technically or financially compliant with the tender
- The economic or technical data of the project is altered

IGAD may re-tender the contract under new circumstances with new conditions and criteria to adapt to the changes.
