IGAD Center for Pastoral Areas and Livestock Development (ICPALD),

Assignment Title:

Consultancy to Cross-Border Trade in Live Animal in the IGAD Region: Assessment of Trade Volume (formal and informal), Cost of doing Business, Trade Enablers and Barriers in three Selected Cross-Border Areas

The IGAD Centre for Pastoral Areas and Livestock Development (ICPALD) through the Regional Livestock Program (RLP), funded by SDC is seeking a highly a qualified consultant who will undertake a comprehensive quantitative assessment of livestock trade volumes, both formal and informal, along the Tog Wajaale (Ethiopia-Somalia) and Moyale (Ethiopia-Kenya) and Afmadow/Galkayo (Kenya-Somalia and Ethiopia-Somalia) cross-border corridors linking trade route to respective ports in Kenya, and Somalia. This assessment will examine the scale and dynamics of live animal flows destined for intra- and inter-regional markets, while also analysing the supportive and constraining policies, regulatory frameworks, rules, procedures and institutional practices that shape livestock and livestock product trade. Attention will be given to identifying enablers and barrier to cross-border live animal trade that influence the efficiency, competitiveness, and sustainability of trade in these key corridors.

Overall objective of the Assignment

The objective of the assignment is to; i) quantify volume of trade (formal and informal) in live animal, in the three selected live animal trade corridors(Tog Wajaale, Moyale and Afmadow/Galkayo) of IGAD countries (Ethiopia, Kenya and Somalia; ii) assess enablers and barriers to cross-border live animal trade and quantify cost of doing business (formal and informal), and; iii) develop actionable recommendations to enhance seamless cross-border and regional trade under the AfCFTA and iv) document significance, importance and characteristics of informal live animal trade and action points to streamline the trade.
